In terms of Rule 19(2), approval Committee may also approve proposal for broad banding diversification, enhancement of capacity of production, change in the terms of manufacture or service activity.

Accordingly, the proposal is placed before the UAC for consideration

Agenda Item No. 177.06: Request M/s. Granimaro Pvt Ltd, a unit in M/s. APIIC Ltd. Building Product SEZ for permission to procure Solar modules and panels -Reg.

M/s. Granimaro Pvt Ltd vide letter dated. 27.02.2023 has informed that they are planning to install Solar Power Generating system of 650 KWP capacity in the premises of their unit for captive consumption and requested for permission to procure the machinery and equipment needed for completion of this project. The unit has been advised to submit a copy of re-registration with Central Electricity Authority and undertaking in the light of DoC OM no dated 7.06.2021 for compliance with the guidelines. In response the unit has furnished the Approval from CEA dated 29.07.2023 vide letter dated 08.12.23.

The unit has informed that due to recent surge in electricity, duties/taxes and increased competition over the last few months. They have felt the need to cut down on their expenses incurred in production. Electricity cost being a vital component of our costing, and part of green initiative they intend to install 650 KWP Grid Tied Solar Plant (Solar Plant) on the rooftop of their Building located at plot No:17, APIIC BPSEZ, Annagi(village), Maddipadu (Mandal), Prakasam (District)- 523211.

For the procurement, erection and installation of the Solar power plant they have made an agreement with M/s. ORB Energy Private Limited, Bangalore as the Contractor and shall be acting as service provider to install the solar Power plant. This company will take care of the entire project including erection of machinery, electrical work and final commissioning of the project Totalling to a

I/54629/2023

capacity of the solar power plant 650 KW and it can able to generate approx. 1,10,000 units of power monthly basis.

In this regard, kind reference is invited to DoC's Power Guidelines O.M. No. K-43014(16)/8/2020-SEZ dated: 7th June 2021, allowing setting up of "non –conventional power plant with permission of UAC within the premises of an SEZ unit for the exclusive purpose of captive consumption of the unit with a condition that no tax/duty benefits stipulated under section 26 of SEZ Act, 2005 shall be available for setting up as well as operations and maintenance of such power plant. Such captive generating power plants shall comply with all rules, regulations and technical standards framed under the Electricity act, 2003 as amended from time to time. Captive generative power plants with capacity 500 KW and above has to be re-registered with Central Electricity Authority."

As per which, a unit may set up a non-conventional power plant with the approval of the Unit Approval Committee within the premises of the unit for the exclusive purpose of captive consumption subject to the condition that no tax/duty benefits stipulated under Section 26 of the SEZ Act,2005 shall be available for setting up as well as operations and maintenance of such power plant.

The unit has furnished the certificate registered with the Central Electricity Authority (CEA) approval for Electrical installation of Solar Power Plant of capacity 650 Kwp vide letter dated 29.07.2023. Copy enclosed.

The proposal of M/s M/s. Granimaro Pvt Ltd for installation of Solar Power Plant of 650 KWP is placed before the Approval Committee for consideration.
